This place he keeps up as long as the other participant, who in turn free, will not take his place at the top. In all cases, there must be compilation of pairs so that in one round does not have 2 (two) athletes free, and the same athlete was not free twice in subsequent rounds.

Each Match is best two of three bouts, and carries along Points as follows: Win 2-0 and receive 3 Points; win 2-1 and receive 2 Points; lose 1-2 and receive 1 Point; and lose 0-2 and receive NO Points.
